Structural engineer: CHRIS BRATBY

This relocatable home is / ~~was~~ intended for use as a park van or holiday van.

An aerial photograph of a coastal resort area. In the foreground, there are several rows of long, low buildings, likely dormitories or guest rooms, with parking spaces between them. A yellow circle with the number '235' is overlaid on one of the buildings. In the background, there is a dense line of trees, a sandy beach, and the ocean with waves breaking. A large building with solar panels is visible on the right side of the image.
